

Sponsorship Opportunities

2027 Orphans Africa Luncheon & Benefit

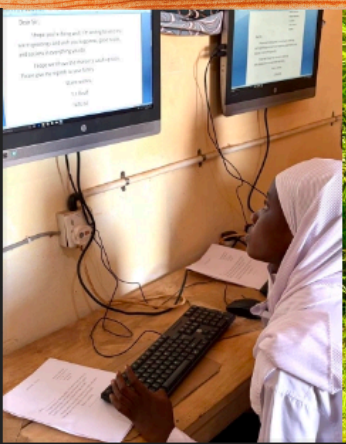

February 27, 2027

12:00–2:00 pm

Dear Potential Sponsor,

Every year throughout the United States thousands of nonprofit organizations hold events to raise funds for their projects. And every year thousands more for-profit businesses, from large corporations to the local mom-and-pop shops, sponsor these events. The benefits are two-fold: the charities benefit through the offsetting of event costs, while the businesses benefit from added goodwill and exposure through advertising.

This packet is designed to answer all of your questions regarding becoming a sponsor of the Orphans Africa Luncheon and Benefit to be held on Saturday February 27, 2027. It promises to be a well-attended, classy event, and we'd love to have your business as a sponsor.

We thank you for your time and consideration, and we look forward to hearing from you.

Sincerely,

Carl Gann

ORPHANS AFRICA
Volunteer President and Co-Founder

Who Are We?

Orphans Africa (OA) is a non-profit 501(c)3 charity dedicated to the education of orphans in Tanzania, East Africa.

What's the Problem?

Out of a population of 70 million in Tanzania, nearly four million are orphan children, most of whom lost their parents to disease. Over half the population is under the age of 18 (World Bank 2024; UNICEF 2024). Quality of education is poor. Uniforms, shoes, books, and supplies are required to attend primary school, making it nearly impossible for any orphan to receive a basic education. Even if they receive funding, there aren't enough schools for the disproportionate number of youth. Many students completing primary school lack the requisite skills to succeed in secondary school. Secondary school is not free and only 23% of secondary school-age children are enrolled. School life expectancy is 9 years.

What Do We Do?

From its inception in 2007, OA has built and continues to develop six private schools for orphans in Tanzania who would otherwise likely receive little or no education. The orphans receive not only a quality education, but dormitory housing, clean water, health insurance, recreation and meals.

Unlike public schools, OA provides libraries and laboratories, a rare "hands-on" education in problem solving so that students graduate with a skill set that will enable them to be contributors to their society. OA's goal is to raise a generation of leaders—young adults who will help lead their country out of its crushing poverty.

A Classy Event

Venue

Hosted at the Emerald Queen Casino in Fife, the Orphans Africa Luncheon and Benefit is perfect for businesses seeking added publicity. Your company will receive community recognition as a business which is concerned about humanitarian issues and efforts.

Sponsorship Levels

While your sponsorship is vital in helping our event to be a success, OA recognizes that sponsorships must be mutually beneficial. Sponsoring our event will create exposure for your organization, not only on event day, but in pre- and post-event literature (hardcopy and electronic), which is sent to our entire constituent base (over 1,000), most of whom are located in the greater Puget Sound region.

Please take a moment to look through the levels of sponsorship and the corresponding benefits to your company. When you choose to sponsor our event, our volunteers will work closely with you to ensure you maximize the benefits from your package level, benefits which will ideally translate into increased patronage for your company.

After choosing your sponsorship level (page 6), please complete the form (page 7) and mail to the OA office or register online.

To maximize your advertising exposure, we recommend that you purchase a sponsorship as soon as possible. However, to make it into our printed program or onto the bid cards (Tribal Chieftain only), we need your commitment by no later than February 12, 2027.

Tribal Chieftain: $6,000
